MEMORANDUM FOR: C-130 Technical Coordination Group (TCG), 21st Annual 2009 World-Wide Review (WWR) Attendees

FROM: WR-ALC/561st ACSS/GFIA

SUBJECT: C-130 TCG WWR Participation Appreciation Letter

Greetings to All,

The TCG has now returned from the 21st Annual C-130 TCG WWR Conference held once more in beautiful Jacksonville, Florida. I'm extremely pleased to report that this was the largest C-130 WWR in the history of the conference and it's all because of your dedication, attendance, and unwavering support for this very successful venue. The C-130 TCG WWR conference increased once again in record attendance and participation. The final statistics were: ninety-one (91) foreign attendees from twenty-eight (28) countries, three-hundred seventy (370) contractor attendees representing one-hundred fifty-six (156) different commercial companies, with ninety-five (95) contractor display booths, and ninety-two (92) Department of Defense (DOD) attendees. Absolutely phenomenal! These numbers continue to exceed our expectations and we're extremely pleased with all the support we received for this year's C-130 TCG WWR Conference!

On behalf of the 330th ACSG and the entire TCG team, please accept my sincere appreciation for your efforts to make the 21st Annual C-130 TCG WWR Conference one to remember. I look forward with great anticipation to furthering the valued relationships and friendships we have at future C-130 TCG WWR's as well. A survey has been mailed out for your convenience, but as always, please feel free to contact me personally if desired. I welcome any comments or concerns that you may have about C-130 TCG services and value any inputs we can use to improve this forum.

Respectively,

A handwritten signature in purple ink, which appears to read "Danny W. Fowler".

Danny W. Fowler
Director, C-130 Technical Coordination Group
